

EQUILIBRIUM

by. One Powerful Mind

Our next show will be photography and mixed media by Edgar Bolanos, who goes by the Moniker One Powerful Mind. OPM has titled the exhibit Equilibrium. His work conveys a personal improvement, a constant showdown between good and evil, and a distant presence of Christianity in a distorted view made possible through digital photography and editing skills.

Opening Reception: August 8th 2013, 5:00-10:00 PM

Exhibition Dates: August 8th-August 22nd, 2013

"Brain Merchant", 2010, Digital Print, Lenticular 3D, 32x47 inches
